### LEARNING WITH JESUS TO BE THE BEST WE CAN BE!

**Wednesday 10th April 2019**

When people have done something wrong to us we often feel angry and want them to be punished, but in this week's gospel Jesus taught us that this isn't always the right way. The scribes and Pharisees brought a woman to Jesus who had done something wrong. The law said that she should be punished, but the Pharisees asked Jesus what he would do. Jesus said that the person who has done nothing wrong themselves should throw the first stone, but everyone left. Jesus told the woman that he would not punish her either and to go away and try to do the right thing from then on. Jesus knows that none of us are perfect. He forgives us for the things that we have done and no matter what he always loves us. But he also asks us to change, to try our hardest not to do the wrong thing again. He asks us not to judge others for their mistakes. We should help them make the right choices. How can we help one another this week?

**Our mission this week:** is to forgive each other our mistakes

**This week's ethos statement:** 'I try to think about the true meaning of Easter, as I prepare my heart and mind for this wonderful celebration'

#### A thoughtful prayer:

Dear Jesus,  
Please help those who aren't as fortunate as us and help the  
those from the Good Shepherd  
Appeal to keep up their great  
work and carrying on  
helping others.  
Amen.  
Seth McShera.

The local chapter have also donated an additional £750 towards buying new class reading books! We are extremely grateful for the support. Many, many thanks!
