LEARNING WITH JESUS TO BE THE BEST WE CAN BE!

Wednesday 12th June 2019

This week we thought about Pentecost. We discussed what Jesus said to His disciples—He asked them to love one another as He had loved them. And He said that if they did this, then God would send the Holy Spirit to be with them forever. The Holy Spirit would teach the disciples everything they needed to know once Jesus had left and would remind them of Jesus' words while He was with them. Jesus also said that if we love Him, His Father will love us and make His home in us.

What do you think this means?

How can you make a home ready for God? (e.g. in your hearts, lives or to prepare your own home...)

How would you make God feel welcome?

Loving Father, give us your Spirit, give us your courage, so that we may follow you and love you all the days of our lives. Let us share this love with others. Amen.

This week's ethos: 'I know how to show I am sorry'

Thank you very much for your generous donations of flowers for the May Procession and for joining us for a lovely Mass. We gave some of the flowers to church and some to brighten up the day of our friends over at Abbeyfield. Many thanks!

Other News:

Thank you to **Y4** who raised over £100 in their recent bun sale for school funds. Well done everyone and thank you to parents for supporting it.

Our **Faith Leaders** celebrated Mass at Leeds Cathedral with the Bishop who thanked them for our incredible donation to the Good Shepherd Fund.

Healthy Living Week

Thank you to Miss Kilcoyne for all of the activities she has organised this week to promote healthy living in our school. We have had healthy workshops encouraging exercise and healthy living lessons. On Friday there will be cooking lessons and the children have had chance to cook up a storm in the renovated 'Kids' Kitchen! We also have a class competition to see who will win the women's Football World Cup—come on England!

What can you do to stay healthy?

Our **new children** who will be starting with us in September will be visiting us on Tuesday 18th June. I am sure you will make them and their parents feel most welcome!

Please do not arrive at school before 3pm. The **gates** will not be opened before 3pm as the bottom carpark/ play-ground is used as a teaching space until then. Arriving too soon and waiting outside blocks the road for others users. Please also do not leave your car engines running as it is bad for our children's health and the environment. Thank you for your cooperation.
